PROJECT TITLE:

AI Content Marketing Using UGC Ads

OBJECTIVE:

To create engaging User Generated Content (UGC) advertisement scripts using AI tools for promoting a product through social media platforms.

TOOLS USED:

- ChatGPT
- GitHub
- MS Word

PRODUCT SELECTED

Mamaearth Onion Hair Oil

TARGET AUDIENCE:

College Students and Young Professionals

PLATFORMS:

Instagram Reels

Facebook

YouTube Shorts

PROMPT USED

Act as an expert UGC advertisement creator.

Generate:

1. Five attention-grabbing hooks
2. Three UGC advertisement scripts
3. Three Call-To-Action statements
4. Three social media captions

Product:

Mamaearth Onion Hair Oil

Target Audience:

College students and young professionals

Tone:

Friendly, authentic and trustworthy

Platform:

Instagram Reels, Facebook and YouTube Shorts

Length:

20–30 seconds per script

HOOK 1

Hair fall ruining your confidence?

HOOK 2

I stopped losing hair after trying this.

HOOK 3

My secret for stronger hair in 30 days.

HOOK 4

Tired of seeing hair everywhere?

HOOK 5

This one change improved my hair routine.

UGC AD SCRIPT 1

HOOK:

Hair fall ruining your confidence?

SCRIPT:

Every time I combed my hair, I noticed excessive hair fall.

I was worried and started searching for a solution.

Then I discovered Mamaearth Onion Hair Oil.

After using it regularly for a few weeks, my hair felt stronger and healthier.

It is easy to apply and fits perfectly into my weekly hair care routine.

If you are struggling with hair fall, this product is definitely worth trying.

CALL TO ACTION:

Order now and start your healthy hair journey.

UGC AD SCRIPT 2

HOOK:

I stopped losing hair after trying this.

SCRIPT:

I was looking for a simple solution to reduce hair fall.

After trying Mamaearth Onion Hair Oil, I noticed visible improvement over time.

My hair feels smoother, stronger and healthier than before.

It has become an important part of my weekly routine.

If you want healthier hair, give it a try today.

CALL TO ACTION:

Try it today and experience the difference.

UGC AD SCRIPT 3

HOOK:

My secret for stronger hair in 30 days.

SCRIPT:

If you have been searching for an effective hair care product, this may be the answer.

I started using Mamaearth Onion Hair Oil consistently and noticed healthier-looking hair.

My hair feels more manageable and stronger than before.

Consistency is the key to achieving better results.

CALL TO ACTION:

Start your hair care journey today.

SOCIAL MEDIA CAPTIONS

Caption 1:

Stronger hair starts with the right routine. ✨

Caption 2:

Healthy hair, happy you. 💛

Caption 3:

Consistency makes all the difference. 🌿

CALL TO ACTIONS

CTA 1:

Order now and begin your healthy hair journey.

CTA 2:

Try it today and experience the difference.

CTA 3:

Take the first step towards stronger hair.

CONCLUSION

This project demonstrates how Prompt Engineering can be used to create engaging UGC advertisement content using AI tools.

The generated hooks, scripts, captions and CTAs are designed to increase audience engagement and improve marketing effectiveness across social media platforms.
